Hi Ali,

Further to my conversation with Bob last night, he asked me to drop you a line to tell you what the PCC's views are on the future of the Victory Hall.

There was a range of opinions, including suggesting another mid-size room should be built on and that a new hall on a larger site with more parking would be great!

However, we decided that our main concern was the school and keeping it going in Whimble. If moving the site or making the hall unusable for any length of time would threaten the viability of the school then we would rather avoid those options. Therefore, renovating the old hall seems to be the best option at the moment and we would encourage church members to support any fund-raising required.

Best wishes

Gerri
