Hi Ali,

Having talked to members of Whimble & Broadclyst YFC we feel they is no need to rebuild or move to a new building, the cost we assume would be rather large!

We do agree improvements need to be made to the existing hall such as the floor and the heating. However for what YFC use it for it's a perfect space with enough room for the varied activities that we use it for.

We use a range of halls when we cannot book Whimble, however Whimble is always our first chose because of its location, space inside, kitchen facilities and also it is close to the pub which is a huge positive for the young farmers!!

Many thanks

Jack

Subject: The Future of the Victory Hall

The Future of the Victory Hall

At the last Hall Committee meeting we agreed that all representative members would consult their respective organisation to seek their views on the future of the Victory Hall.

To help with that I am attaching a copy of a short briefing note for you to use in your discussions. I suggest you email a copy to your committee and seek their views. If, however, you would rather have paper copies,
